Attention is invited to the financial opinion given on the last occasion in paras 26 & 27 of the note in Gen F 167-12. The reasons now assigned for the additional establishment of 3 hands referred to in para 1 are (1) that the Clerk and Librarian sanctioned on the last occasion is unable to cope with the clerical work itself, (2) that as the science hall of the High School Section is fully occupied throughout the week a laboratory attendant is required to help the science teachers for keeping the laboratory clean and tidy and (3) that an additional peon is needed in consequence of the growth in the number of students and class rooms. It is not stated why a highly paid Laboratory Assistant on Rs 10/- is required and whether another peon on Rs 7 or 8 per month cannot do the work. If this is granted the existing peons can take up all other work as they will be relieved of the laboratory work

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 7954 / 409

Bangalore 22nd December *1913*

From

M SHAMA RAO Esq MA
Inspector General of Education in Mysore

To

C S Balasundaram Iyer Esq B A
Secretary to the Government of His Highness the
Maharaja of Mysore Departments of Education & Agriculture

SIR

I have the honour to inform you that a report has been received to the effect that the clerical work and the work of the Library in connection with the High School Department of the Maharaja's College have increased immensely so as to render it necessary to appoint an additional hand Last year Government were pleased to sanction the appointment of a clerk in order No 9281-2/Edn/169-12-8 of the 22nd May 1913 for the High School Section The Principal now states that a Librarian is urgently wanted in order to look after the Library of the High School Department as well as to share the work of the clerk who cannot cope with the clerical work single-handed

2 It is also reported that the Science hall of the High School Section being occupied throughout the week except for two periods the presence of a Laboratory attendant is required in order to be of help to science teachers for keeping the laboratory clean and tidy

3 The Principal points out that owing to the heaviness of menial work in the College and High School Departments in consequence of the growth in the number of students and class rooms, the present staff of menials is inadequate and requires to be strengthened by the addition

addition of one more peon

4. In these circumstances I beg to recommend that Government may be pleased to sanction the following appointments for the High School Department of the Maharaja's College, with effect from the 1st July 1914, the necessary provision being ordered to be included in the State Funds Budget for the year 1914-15

(1) A Librarian on Rs 20/- a month

(2) A Laboratory Attendant on Rs 10 a month

(3) A peon on Rs 7

I have the honour to be,

Sir,

Your most obedient servant,

K. Sheshagiri Rao

Inspector General.
